Each member of the Audit Committee shall satisfy the independence and experience standards specified in Section 803 and any other applicable sections of the Company Guide of NYSE MKT or other corporate governance requirements of NYSE MKT, Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the requirements of any other applicable laws, rules and regulations governing qualification for audit committee membership, including the rules and regulations of the Securities and Exchange Commission (the “SEC”) and the rules and regulations of the Federal Deposit Insurance Corporation (the “FDIC”). All Audit Committee members shall be financially literate and able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. At least one member of the Audit Committee shall have financial sophistication as determined in accordance with the applicable corporate governance requirements of NYSE MKT and shall be an “audit committee financial expert” as defined by the applicable rules and regulations of the SEC. The Audit Committee shall include at least two members with banking or related financial management expertise as defined by the FDIC. No member of the Audit Committee shall participate in the preparation of the financial statements of the Corporation or any then current subsidiary of the Corporation (i) at any time during such member’s service on the Audit Committee or (ii) at any other time which would cause such member not to satisfy the independence standards of Section 803 of the NYSE MKT Company Guide or any other applicable laws, rules and regulations governing the independence of members of the Audit Committee. Additionally, no member of the Audit Committee shall be considered a “large customer” for purposes of the rules and regulations of the FDIC.

The Audit Committee shall meet on at least a quarterly basis and may convene more frequently as circumstances dictate. The Audit Committee shall be chaired by one of its members appointed by the Board. The Audit Committee may fix its own rules of procedure, which shall be consistent with the Corporation’s Regulations and this Charter. The Audit Committee may designate its own Secretary who may be a non-Committee member. Minutes of meetings of the Audit Committee shall be prepared and maintained with the books and records of the Corporation. A majority of the Audit Committee members shall constitute a quorum for the transaction of business. The action of the Audit Committee at a meeting at which a quorum is present shall be the act of the Audit Committee. The Audit Committee may also act without a meeting if all members of the Audit Committee consent to the action in writing or by other means of electronic transmission permitted under applicable laws. The Audit Committee may have in attendance at its meetings such members of the Corporation’s management, the Corporation’s Internal Audit Department (“Internal Audit”) and the Corporation’s independent registered public accounting firm or others as the Audit

Committee may deem necessary or desirable to provide the information the Audit Committee needs to carry out its duties and responsibilities. The Audit Committee shall report regularly to the Board about meetings and activities of the Audit Committee.

### **Statement of Policy**

The Audit Committee shall provide assistance to the Board in fulfilling its oversight responsibility to the shareholders and potential shareholders of the Corporation, the investment community, and others relating to the integrity of the Corporation's consolidated financial statements and accounting and financial reporting processes, the Corporation's internal control over financial reporting, the internal audit function, the annual independent audit of the Corporation's consolidated financial statements, and the legal and regulatory compliance and ethics programs as established by the Corporation's management and the Board. In so doing, it is the responsibility of the Audit Committee to maintain free and open communications between and among the Audit Committee, the Corporation's independent registered public accounting firm, Internal Audit and management of the Corporation. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention or otherwise within the scope of its duties and responsibilities with full access to all books, records, facilities and personnel of the Corporation and its subsidiaries and the Corporation's independent registered public accounting firm, and the power to retain outside counsel and other advisors as the Audit Committee determines necessary to assist the Audit Committee in carrying out its duties and responsibilities. The Corporation shall provide for appropriate funding, as determined by the Audit Committee, in its capacity as a committee of the Board, for payment of (a) compensation to the Corporation's independent registered public accounting firm engaged by the Audit Committee for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation or any of its subsidiaries, (b) compensation to any advisors employed by the Audit Committee and (c) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out the Audit Committee's duties and responsibilities.

### **Responsibilities and Processes**

The primary responsibility of the Audit Committee is to oversee the Corporation's accounting and financial reporting processes on behalf of the Board and report the results of its activities to the Board. The Corporation's management is responsible for the preparation, presentation and integrity of the Corporation's consolidated financial statements, for the appropriateness of the accounting principles and reporting policies that are used by the Corporation and its subsidiaries and for the establishment and maintenance of systems of disclosure controls and procedures and internal control over financial reporting. The Corporation's independent registered public accounting firm is responsible for auditing the Corporation's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), (the "PCAOB") for issuing an attestation/audit report on the Corporation's internal control over financial reporting, and for reviewing the Corporation's unaudited interim consolidated financial statements. The Audit Committee in carrying out its duties and responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Audit Committee should take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibility. The processes are set forth as a guide with the understanding that the Audit Committee may supplement them as appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Audit Committee shall also carry out such other duties and responsibilities delegated to it by the Board from time to time that are related to the purpose of the Audit Committee.

- The Audit Committee shall be responsible for ensuring that the Corporation's independent registered public accounting firm submits to the Audit Committee on a periodic basis, and in any event at least annually, the written disclosures and the letter from the Corporation's independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee shall also be responsible for actively engaging in a dialogue with the Corporation's independent registered public accounting firm with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent registered public accounting firm and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the Corporation's independent registered public accounting firm.
- The Audit Committee shall be directly responsible for the appointment (subject, if applicable, to shareholder ratification), compensation, retention and oversight of the work of the independent registered public accounting firm engaged (including resolution of disagreements between the management of the Corporation or any of its subsidiaries and the independent registered public accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation or any of its subsidiaries, and each such independent registered public accounting firm must report directly to the Audit Committee. The Audit Committee should ensure that the proposed audit engagement letter complies with applicable laws, rules and regulations before engaging an independent registered public accounting firm.
- At least annually, the Audit Committee shall obtain and review a report of the Corporation's independent registered public accounting firm regarding (a) the firm's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control or peer review of the firm or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with such issues, and (d) an assessment of the independence of the firm and all relationships between the firm (or any affiliates of the firm) and the Corporation or any of the Corporation's officers or directors. The Corporation's independent registered public accounting firm shall also submit such a report to the Audit Committee promptly after any review, inquiry or investigation referred to in the preceding sentence.
- The Audit Committee shall evaluate the qualifications, performance and independence of the Corporation's independent registered public accounting firm, including considering

whether the independent registered public accounting firm's quality controls are adequate and whether the provision of any non-audit services is compatible with maintaining the independence of the independent registered public accounting firm, taking into account the opinions of management and Internal Audit. The Audit Committee shall present its conclusions with respect to the qualifications, performance and independence of the independent registered public accounting firm to the full Board.

- The Audit Committee shall determine hiring policies for employees or former employees of the Corporation's independent registered public accounting firm who participated in or supervised, in any capacity, the audit service or non-audit services provided to the Corporation or any of the Corporation's subsidiaries.

The Audit Committee may delegate pre-approval authority to a member of the Audit Committee. The decisions of any Audit Committee member to whom pre-approval authority is delegated must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may establish pre-approval policies and procedures, in compliance with the rules and regulations promulgated by the SEC. Such pre-approval policies and procedures must be detailed as to the particular services to be provided, insure that the Audit Committee knows what services it is being asked to pre-approve and not include any delegation to management of the Corporation of the Audit Committee's responsibilities under applicable laws, rules and regulations to pre-approve all services provided by the Corporation's independent registered public accounting firm. Approval of a non-audit service to be performed by the Corporation's independent registered public accounting firm and, if applicable, the pre-approval policies and procedures established by the Audit Committee shall be disclosed by the Corporation as required under applicable SEC rules and regulations.

- The Audit Committee shall review and evaluate the experience and qualifications of the lead partner and other senior members of the audit team of the Corporation's independent registered public accounting firm and ensure that all partner rotations, as required by applicable laws and regulations, are executed. The Audit Committee will also consider whether there should be a rotation of the Corporation's independent registered public accounting firm itself.
- On a regular basis, the Audit Committee shall meet with the Corporation's independent registered public accounting firm to discuss any matters that the Audit Committee or the independent registered public accounting firm believes should be discussed privately.
- The Audit Committee shall review the interim consolidated financial statements and the disclosures to be made under management's discussion and analysis of financial condition and results of operations with the Corporation's management and the Corporation's independent registered public accounting firm prior to the filing of the Corporation's Quarterly Report on Form 10-Q.
