Forward-looking Statements

- This presentation contains forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. Forward-looking statements provide current expectations or forecasts of future events and are not guarantees of future performance. The forward-looking statements are based on management's expectations and are subject to a number of risks and uncertainties. Although management believes that the expectations reflected in such forward-looking statements are reasonable, actual results may differ materially from those expressed or implied in such statements. Risks and uncertainties that could cause actual results to differ materially include, without limitation: governmental intervention in the U.S. financial system; changes in consumer spending, borrowing and savings habits; deterioration in the asset value of Park's loan portfolio may be worse than expected; Park's ability to execute its business plan successfully and within the expected timeframe; Park's ability to successfully integrate acquisitions into Park's operations; general economic and financial market conditions, specifically the real estate market, either national or in the states in which Park and its subsidiaries do business, are less favorable than expected; Park's ability to convert its Ohio-based divisions to one operating system; deterioration in credit conditions in the markets in which Park's subsidiary banks operate; changes in the interest rate environment reduce net interest margins; competitive pressures among financial institutions increase significantly; changes in banking regulations or other regulatory or legislative requirements affecting the respective businesses of Park and its subsidiaries; changes in accounting policies or procedures as may be required by the Financial Accounting Standards Board or other regulatory agencies; the effect of critical accounting policies and judgments; demand for loans in the respective market areas served by Park and its subsidiaries, and other risk factors relating to the banking industry as detailed from time to time in Park's reports filed with the Securities and Exchange Commission including those described in "Item 1A. Risk Factors" of Part I of Park's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and in "Item 1A. Risk Factors" of Part II of the Quarterly Report on Form 10-Q for the period ended March 31, 2009. Park does not undertake, and specifically disclaims any obligation, to publicly release the result of any revisions that may be made to update any forward-looking statement to reflect the events or circumstances after the date on which the forward-looking statement is made, or reflect the occurrence of unanticipated events, except to the extent required by law.
- Annualized, pro forma, projected and estimated amounts are presented for illustrative purposes and may not reflect actual results.

At-The-Market (ATM) Offering

- Park National Corporation initiated an ATM common stock offering on May 28, 2009 through Sandler O'Neill & Partners.
- ATM program is designed to offer and sell common shares with aggregate sales proceeds of up to \$70,000,000 from time to time, provided, that in no event shall the aggregate number of common shares offered and sold under the offerings exceed 1,050,000.
- We intend to use the net proceeds from the ATM offering for general corporate purposes, which may include but are not limited to working capital, acquisition opportunities, capital expenditures, investments in or loans to our subsidiaries, payment and refinancing of debt, including outstanding short-term indebtedness, if any, and satisfaction of other obligations.
- We are also considering the possibility at some future date of seeking permission to use a portion of the net proceeds from the ATM offering to (1) repay a portion of the TARP funding received in connection with the Series A Preferred Shares and (2) repurchase the Warrant issued and sold to the U.S. Treasury, if and when applicable circumstances indicate that such repayment and repurchase are permitted and appropriate.
